When the sun goes down, the city will be lit up by lights from the city, showing you a completely different face of crowded Saigon.

It's like you're walking into a dream.

## TOUR ITINERARY

### 3:15 PM or 4:30 PM

Your guide will meet you in the lobby of your hotel and bring you by minivan to our speedboat at Bach Dang pier.

### 3:45 PM - or 5:00 PM

Set sail on our boat and sip on cocktails as you relax while watching the bustling, historic city from the water. Explore winding canals and tributaries in a setting similar to the Mekong Delta, with traditional riverside landscape and lush jungle expenses before watching the city's skyline beautifully lit up at the sunset.

While there are many places to watch the sunset in SaiGon, there is no better way to enjoy the views than being out on the water with nothing between you and the sun slipping below the horizon. Watch as the skies and clouds turn into a beautiful and colorful array of pink, orange, with hints of purple, and in the moment where the sun finally disappears from view.

### 4:45 PM or 6:00 PM

Arrive back at Bach Dang pier. Saigon River Cruise's staff will transfer you back to your hotel.
